Triton District Students

For Newbury, Rowley, or Salisbury Residents: You can come to pickup your breakfast/lunch at Salisbury Elementary School. We will have daily (M-F) curbside pickup from 8:00 to 9:00 AM You will not need to get out of your car for any reason, rather you will simply pull up to the curb and confirm the number of breakfasts/lunches you need and they will be handed to you.

For Newbury or Rowley Residents who are unable to pickup at SES, we have partnered with the Boys and Girls Club, and they will be coordinating deliveries to our students in need in Rowley and Newbury who are not able to come to SES to pick up their meals. The survey will provide more information about how to contact the club to arrange your delivery, as more details will be needed.

For anyone wishing to participate, I have included a very brief survey, to be completed anonymously, to assist us in planning for this new meal program and the number of meals we need to prepare. If you are planning to pick up your breakfast/lunch at SES, then the survey is very quick and easy. If you are a Salisbury resident and will get your breakfast/lunch from the delivery by bus routes, we need to know the route you live on. For Newbury or Rowley residents requesting delivery, we have asked for your email address so that we can communicate further details with you about arranging the program with the Boys and Girls Club.

Please complete this survey as soon as possible if you would like to participate: <https://www.surveymonkey.com/r/TritonGrabandGo>
