

Learning to Cope with Grief instructions.

For Zoom set-up and test instructions, see [bit.ly/howzoom](http://bit.ly/howzoom).

We will be doing a Zoom video meeting this month and will continue to do so until the COVID-19 storm passes and we can meet in-person again.

The Zoom coordinates we have are for a one-time meeting. If/when needed, we will send you the coordinates when the next meeting is scheduled.

Here are the connection instructions for the March 31st meeting that we are sending out to our group.
