

Christ church Racial Justice Initiative invites you to 21 - Day Racial Equity Challenge

We invite you to join members of the Christ Church Racial Justice Initiative in a 21-day Racial Equity Challenge during Lent [beginning on February 28](#). This is an exciting opportunity to increase our understanding of the roots, lived experience and structures of inequality in our society with the goal of moving us toward action. The challenge asks that you dedicate time each day (which can be as little as five to ten minutes or as long as you wish) for 21 days to an activity that furthers your understanding of power, privilege, supremacy, oppression, and equity.

The activities include readings, videos, podcasts, music, observations, actions and reflections. We will meet via zoom for a brief introduction and then two times during the three weeks to share our experiences and reflections.

If you are interested in doing the challenge, please attend the introductory session. Participation in the discussions is optional but we look forward to sharing this experience in community.

To sign up and receive the zoom invitation for the introductory meeting, please contact Cynthia at: (cynanderson868@gmail.com) by [February 17](#).
