

Christine Ruddy Joins PRM

Since the 1990s, Pastoral Response Ministry has worked to extend the pastoral care of the clergy to the wider parish through compassionate support of parishioners during times of need. This includes the writing of personal notes, the making of encouraging phone calls, the visiting of Lay Eucharistic Visitors with Communion to shut-ins (not happening in COVIDtide) and other kinds of support. Membership in PRM is by invitation of the Rector. The group meets weekly on Tuesdays at 2.30pm; and our work is confidential and discrete.

I am pleased to announce that Christine Ruddy has accepted my invitation to engage in this ministry. Christine, her husband Kevin and their children, Elizabeth, Nate, and Nick have been members of Christ church for 16 years. Christine served on the Search Committee, chaired Community Concerns, and has supported work in our Church School and Confirmation programs. Christine joins Barbara Brailey, Jean McCarthy, and Barbara Murphy. If there is someone in the parish in need who you think would benefit from the ministry of PRM, please [email](#) me or call the office.
