RESPONSES

“Hey all you cool cats and kittens!” (If you get that quote, then you’ve already seen this terrible-amazing show). I watched *Tiger King: Murder, Mayhem and Madness* on Netflix, which is a docuseries about people who have roadside big cat (ie. tiger) zoos, and who might also commit murder. [Here’s](#) an article about why the show went viral and is a great watch during this weird time. – Ali Heard
