

EXCITING NEWS!

NEW MID-WEST DIVISION

We are excited to announce the launch of our new Midwest Division in Iowa! This represents a significant milestone in our company's growth. As leaders in construction management, engineering, and general contracting, we are dedicated to providing exceptional services tailored to meet the needs of our clients in the heartland.

At PDDM Solutions, we offer a wide range of services, including comprehensive engineering, preconstruction, construction management, general contracting, and design-build solutions. We take pride in delivering professional services that ensure the successful completion of quality projects across the commercial, industrial, and renewable energy sectors.

Our turnkey solutions, expertise, attention to detail, and proactive approach provide you with peace of mind as we work to bring your vision to life. We are committed to quality and innovation, continuously striving to exceed the expectations of our partners and stakeholders.
