

SAVE THE DATE:

The Great Islands Clean-up will be happening Saturday, April 24th from 10am to 2pm. Any trash you pick up on the roads or beaches can be dropped off at the Eastsound Green by 2pm that day. During this year's clean-up we will also be taking abandoned tires. If you know of a tire, or group of tires, laying around our roads or beaches that needs to be disposed of, please reach out to pete@exchangeorcas.org to let us know where they are and we will arrange to have them picked up!

Keep up to date on the [GICU Facebook page](#)!
