

New training program for all ages!

WELDING SKILLS LAB

JAN. 20-MAY 5, 2022

A new **after-hours Welding Skills Lab** is being offered to participants of all ages interested in developing their welding skills to enhance a current career - or start a new one! The need for welders throughout the region, state and country remains high.

These skills will set you on a path to success!

BEGINS THURSDAY, JAN. 20, 2022

Every Monday and Thursday for 15 weeks | 4-6 p.m.

- › Class location: East Jordan High School Welding Lab
- › Instructor: David Muladore, EJ High School Welding teacher
- › Open to anyone, professional or hobbyist; limited spaces
- › Upon successful completion, earn AWS Level 1, 2 or 3 certifications
- › Cost of \$1,200 includes all supplies and instruction; scholarships available through Northwest Michigan Works! Private pay available.

Registration deadline is **Jan. 7, 2022.**

To apply for a scholarship, or if you have questions, contact Corey Busch, Northwest Michigan Works! at (231) 492-8207 or email corey.busch@networksnorthwest.org.
