Sponsorship Opportunities 2023-24

Who We Are

The Negligence Law Section of the State Bar of Michigan provides education, information, and analysis about issues of concern through meetings, seminars, this site, public service programs, and the publication of a newsletter. Membership in the Section is open to all State Bar of Michigan members.

The Negligence Law Section has as its purpose the study of the procedures, rules, and statutes that embody the law of negligence to promote scholarship among its members and to unwaveringly promote the fair, equitable, and speedy administration of negligence litigation in the Michigan trial and appellate courts.
