

# A Trip to Missouri's Capitol

## Missouri Foundation for Health (MFH) Education Day

Missouri Foundation for Health hosted a fantastic Education Day at the Capitol in Jefferson City this past February!

I was honored to share the MCHS mission with Senator Steven Roberts, Justin Sparks State Representative, and Representative Deb Lavender!

Representative Deb Lavender

In the Senate Chamber with Senator Roberts

Representative Justin Sparks

## Alzheimer's Association Advocacy Day

The Alzheimer's Association Greater Missouri Chapter planned an incredible Memory Day event in Jefferson City!

The Alzheimer's Association put forth two significant requests for Missouri legislators this year. During my visits to six legislative offices, I advocated for their support in:

1. Establishing a statewide position for a Coordinator of Dementia Services within the State Health Department.
2. Reactivating the State Alzheimer's Task Force.

It was a privilege to work with fellow advocates and legislators to advance dementia care priorities!
