## AFTER SCHOOL CLUBS

### Cupcake Boss Jan 9 – 12

Cupcakes are simply irresistible-single servings of delicious cakes and frosting dressed up in perfect little packages. In this course, student chefs participate in a number “challenges” to see who is the “boss” of each challenge. Some of the challenges are individual challenges and some are group challenges.

### Goopy, Gross & Green Jan 16 – 19

Do you want to make slime or play with mud? In this course, create things that ooze, bounce, and squish! Take part in a number of hands-on goopy, gross, and green fun science and art projects.

### CSI: Crime Scene Investigations Jan 23 – 26

Are you a sleuth? Do you want to become one? If you would like to learn more about solving crime, this is the course for you! Meet crime fighting professionals and learn their secrets. Learn the art of fingerprinting, hair analysis, and other trace evidence left at the scene of the crime.

### Dream Builders Jan 30 – Feb 2

Are you a master Lego builder? Would you like to be? This course encourages you to explore your creativity and skills. Float boats, race cars, construct cities, and build fortresses. This list is endless! Creations are made based on a different theme each day. Enhance your imagination and skills as you unleash your inner Lego builder! All building levels welcomed!
