## Sales and Use Tax Seminar

Oct 2 (T)

8:30 – 11:30 a.m., \$10

This course covers the basics of Nebraska sales and use tax. Sales tax affects everyone! If you are a business owner, or are considering starting your own business, this information is a must for you and your bookkeeper. The topics discussed will not only benefit professionals, the general public can also learn how sales tax affect them every day.

## Agri-Business Seminar

Oct 2 (T)

1:00 – 4:00 p.m., \$10

This class will cover, in detail, the sales tax exemption for commercial agricultural producers on the purchase and repair of equipment. Discussion will include qualifying agricultural operations, equipment and parts, and how to obtain a refund for tax paid on parts for depreciable agricultural equipment purchased prior to October 1, 2014. Exemptions for feed, seed, and chemicals will be explained. This session will benefit farmers, implement dealers, equipment suppliers, and parts store owners, as well as those who operate machine shops and other types of repair facilities. It is also relevant to feed and seed suppliers.
