Scottsbluff to Denver & Onward

Beginning January 30, SkyWest Airlines will begin daily United Express jet service between Scottsbluff and Denver out of the Western Nebraska Regional Airport. Scottsbluff and surrounding areas will now have seamless access to United's global network via the airline's Denver hub.

- United has 370 daily flights from Denver, giving Scottsbluff travelers access to destinations around the globe.
- Flights from Scottsbluff to Denver have been timed to provide maximum connection opportunities for both business and leisure travelers.
- Customers have the opportunity to accrue frequent flier miles in United's MileagePlus loyalty program.
- SkyWest will operate the quiet and comfortable CRJ200 airplane out of Scottsbluff.
- SkyWest is a leading CRJ200 operator and has been named the manufacturer's most reliable operator in North America five times.
