

### Executive Director's Statement (Continued):

...including our role in local COVID-19 recovery efforts, plus participation in regional and national groups like PLAY Sports Coalition that want to restore more meaningful, inclusive sports programs in inner cities across the country, like Lawrence, that were already disproportionately affected. With 15 other Lawrence sports groups, including lead partner, **Everyone's A Player**, we've also formalized the **Lawrence Sports Leadership Collaborative**. Creating more cohesion and trust amongst the city sports group, primarily through a more interconnected support system that tackles problems, like COVID-19 collectively, so that every child, regardless of resources, reaps the benefits of play in 2021, and "beyond!" **Are you with us?**
