ATTENTION: BEYOND VOLLEY PLAYERS

In addition to finding ways to support players' classroom efforts, all players are eligible for prizes based on their grades, or GPA. The more **honor roll seasons** a player earns, the more points and prizes he/she accumulates.

Further, if the **Team's GPA** improves between Fall 2020 and Spring 2021 (via submitted report cards), more prizes will be awarded, like NEW logoed team apparel, or a special -players choice- team outing!
