

THE ISRAEL SECURITY SUPPLEMENTAL APPROPRIATIONS ACT

The Israel Security Supplemental Appropriations Act provides \$14.3 billion in emergency supplemental appropriations – fully offset – to provide military assistance to our great ally Israel and ensure the safe return of American citizens impacted by the attacks on Israel.

TOP LINE MESSAGING

- On October 7th, Hamas carried out an unprovoked terrorist attack on the people of Israel. The conflict has resulted in thousands injured or killed, and over 200 people are still held hostage by Hamas.
- Additional funding is needed to support Israel's right to defend itself.
- **The House strongly condemned Hamas' acts of terrorism by passing H.Res. 771 and will continue to stand with our great ally Israel, especially in the midst of unprovoked attacks.**

DETAILED FUNDING SUMMARY

Military and Security Assistance

- Reinforces Israeli defense systems by:
 - Providing **\$4 billion** to replenish Iron Dome and David's Sling missile defense systems;
 - Allocating **\$1.2 billion** for the Iron Beam defense system to counter short-range rockets and mortar threats;
 - Funding **\$3.5 billion** for the procurement of advanced weapons systems, defense articles, and defense services through the Foreign Military Financing Program; and
 - Providing **\$1 billion** to enhance production and development of artillery and critical munitions.
- Ensures our support for Israel does not compromise U.S. readiness by:
 - Providing **\$4.4 billion** to replenish defense articles and defense services provided to Israel.

U.S. Personnel and Citizen Support

- Provides \$200 million for the protection of U.S. personnel and evacuations of U.S. citizens, including:
 - **\$150 million** for enhanced embassy security and protection for U.S. personnel; and
 - **\$50 million** for emergency evacuations of American citizens.
