Know Your Numbers

Do not let the hot summer months derail your dedication to a healthy lifestyle. Join Novant Health for a free screening that will assess your values for:

- Body Mass Index (BMI)
- Waist Circumference
- Blood Pressure
- Cholesterol (Total, Good, Bad)
- Triglycerides
- Glucose
- Hemoglobin A_1C

We will also help you to identify ways to improve your numbers and/or stay on track in 2018!
