

# Recognizing & Responding to the Impact of Childhood Trauma

September 25, 2019

9:00 AM - 4:00 PM

**United Way of Central New Mexico**

2340 Alamo Ave SE, 2nd Floor  
Albuquerque, NM 87106

Workshop incorporates current research and perspectives from neuroscience and connects today experiences with the impact of trauma. Workshop provides opportunity for participants to develop greater understanding of trauma's impacts all aspects of life and lends explanation as to why childhood trauma is a public health issue with lasting impact.
