

Recognizing & Responding to the Impact of Childhood Trauma*

Workshop August 15, 2019
9am(8:30 Registration)-4:30pm

Donna Lucero, MA, LPCC is the Clinical Director at All Faiths Children's Advocacy Center. In this workshop Donna will present an overview of the impact of childhood trauma on brain development and function. School staff, counselors, and others will learn how to recognize and respond to children affected by trauma. Information from various empirical sources will be included.

OBJECTIVES Include:

- Basic brain function & structure
- Impact of trauma on brain function & structure
- Understanding trauma responses
- How understanding impact of trauma informs interventions
- Explore key components critical for healing of trauma
- Impact of trauma on learning & memory

Donna Lucero, MA, LPCC, is a native New Mexican who has over 27 years of experience working with children and families who have experienced trauma, mental health issues, poverty and adversity. Donna has a Bachelors in Psychology with a minor in Family Studies and a Masters in Counseling from the University of New Mexico. She is a certified trainer in Nuturing Parenting Program, Nonviolent Crisis Intervention, Treatment of Youth that Cause Sexual Harm, Neurosequential Model of Therapeutics, and Brain Gym.
