

Dan Fitzgerald –Director of Physician Services Agreement at MSPEI

Dan holds Commerce (General) and Arts (English) degrees from Memorial University and brings almost 15 years of experience in medical services to the MSPEI team from Newfoundland and Labrador. He has specialized expertise in areas such as negotiations, contract implementation, physician recruitment and retention, and leadership development.

Dan played a key role in developing both the Physician Management and Leadership Program at Memorial University and the Leadership Academy at NL Health Services, demonstrating his commitment to advancing leadership capacity in healthcare. His recent experience includes serving as the Provincial Director of Alternate Payment Plans (APPs) and Physician Contracts with NL Health Services in St. John's, NL, where he worked closely with physicians and healthcare organizations to improve service delivery and ensure alignment with provincial priorities.

As the new Director of Physician Services Agreement at MSPEI, Dan is responsible for leading efforts to enhance the physician experience and improve health system outcomes in PEI. He will work closely with physicians, health system leaders, and partners to implement initiatives from the province's new PSA, ensuring that physicians have the resources they need to deliver high-quality care.

Dan brings a solutions-oriented, adaptable leadership style, with a focus on strategic implementation, collaboration, and fostering a positive, high-functioning medical profession.

In addition to his leadership experience, Dan is dedicated to ongoing professional development and education, particularly in leadership development and organizational effectiveness. His work emphasizes collaboration, stakeholder engagement, and fostering a supportive environment for healthcare providers to thrive. With his broad skillset in healthcare operations and contract management, Dan is well-positioned to lead in physician services agreements and contribute to the strategic goals of MSPEI.

Outside of work, Dan enjoys spending time outdoors with his greyhound, Isaac. He is also passionate about creative writing, good food, and playing the fiddle, finding balance and inspiration through these personal interests.
