

FORZA FREIGHT INTELLIGENCE / PRACTICAL RESOURCE

THE SHIPPER'S 10-MINUTE FREIGHT SECURITY CHECK

01 CARRIER INTELLIGENCE
Is the carrier suitable for this shipment?

02 AUTHORITY AND INSURANCE
Have the applicable records and insurance information been reviewed?

03 IDENTITY VERIFICATION
Does the booking contact connect to the approved transportation partner?

04 DRIVER AND EQUIPMENT
Do the arriving driver and equipment match the authorized assignment?

05 FRAUD SCREENING
Have inconsistent details and unexpected changes been resolved?

06 PICKUP SECURITY
Who owns release and has the dock received current instructions?

07 IN-TRANSIT VISIBILITY
What are the agreed check-ins, stops and escalation contacts?

08 HIGH-VALUE PROTECTION
What extra controls apply to the commodity, value and exposure?

09 PRODUCT REQUIREMENTS
Are temperature, handling and receiver instructions documented?

10 INCIDENT RESPONSE
Who can hold release or authorize the response when something changes?

Discussion aid. Shipment-specific controls do not guarantee loss prevention.
