Know who has your freight.

Forza Shield / Verify. Connect. Protect.

EIGHT LAYERS. ONE CONNECTED SHIPMENT DECISION.

01 Carrier intelligence
Screen safety, compliance and suspicious activity.

02 Authority & insurance
Review authority, coverage and cargo value.

03 Identity verification
Connect the carrier, dispatcher and contact details.

04 Driver & equipment
Confirm driver, tractor, trailer and reefer qualifications.

05 Fraud screening
Cross-check mismatches and unusual patterns.

06 Pickup security
Confirm assignment and release authorization.

07 In-transit visibility
Monitor progress and communicate exceptions.

08 High-value protection
Set controls around commodity, lane and value.

Independent intelligence. Connected verification.
