

Apple Spice Box Lunch Catering Company
Announcing the Launch of the “**Box of Thanks**” Program

Want to support the Tampa area first responders and medical providers but not sure how best to do so?

We have you covered!

Apple Spice Box Lunch Catering Company has created a “**Box of Thanks**” program that provides an opportunity for companies, organizations, individuals and other groups to support first responders and medical providers in the Brandon/Tampa area with fresh prepared box lunches.

How does it work?

It’s super simple – you can feed as many People as you would like with a box lunch that includes a sandwich, chips, pickle, cookie, and mint – and a message from you, your company or organization thanking the first responders you’re supporting. We are discounting our Classic Box to \$9.21 which with tax comes out to an even **\$10.00 per box including tax.** You can sponsor as many or as few as you would like.

Apple Spice Tampa has created a system that allows us to create delicious meals at scale to provide vital nutrition to first responders and medical providers around the city. All box lunches are individually packaged, labeled and sealed and delivered with a ‘no contact’ approach.

Would you like to help?

To purchase a “Box of Thanks”, please email Julie Clouse at juliec@applespice.com.
Or call O- 813-373-5359 or M-813-760-7995.

We are family-owned and committed to staying open to support those who need us to bring great food to them – especially our first responders and medical providers.

Let’s work together to thank our neighbors in Tampa Bay who protect us every day!

The staff and management at Apple Spice Box Lunch Delivery and Catering Co.
