

FRIDAY, JUL 31

@ 8:30am

MOFFITT CANCER CENTER

MOFFITT CANCER CENTER 12902 USF MAGNOLIA DRIVE

Join us in-person for our next Homebrew Hillsborough at Moffitt Cancer Center. During your visit, you'll hear from the Innovation and Entrepreneurship team about how Moffitt identifies high-potential programs and advances them to reach more patients. You'll also visit the **Population Engagement and Research Laboratory (PEARL)** for breakfast and a tour of the kitchen, where chefs prepare meals for clinical trials designed to optimize nutrition for cancer patients.

Moffitt Cancer Center's mission is to contribute to the prevention and cure of cancer by integrating multidisciplinary care, innovative research, and community outreach to improve patient outcomes and save lives. As Florida's first National Cancer Institute (NCI) – designated Comprehensive Cancer Center, Moffitt is recognized for excellence in patient care, scientific research and education. Established in 1986, Moffitt focuses exclusively on the prevention, diagnosis, and treatment of cancer, combining advanced clinical care with cutting-edge research and access to clinical trials.

To Register: **https://www.meetup.com/Homebrew-Hillsborough**

Bring your EDi2 coffee mugs and see you there!

Homebrew Hillsborough is a **collaborative coffee networking** for techies and entrepreneurs. We're taking the conversation to a community business resource near you and providing **real-time relevant tech talks and tours.**

Hillsborough County Florida | EDi2 Economic Development Innovation Initiative
