Kristan Mayer – Fundraising

Thank you to the 33% of Miramonte families who have made a gift of any amount to ONE-Miramonte this school year! Your generosity is truly appreciated.

Get on the List! On **Wednesday, October 21**, we will publish a list of all Miramonte families who have donated to ONE-Miramonte this school year. It's not too late to donate and be included.

We aim for **100% participation** from Miramonte families because every student benefits.

All donations are spent this school year, funding a budget set by the principal in consultation with Miramonte teachers and voted on by the Miramonte Parents' Club.

If you haven't donated yet this school year, please consider doing so today — we need support from every family to reach our goal.
