

Shir Tikvah is part of network of 55 religious congregations doing Immigrant Justice work. The network provides direct assistance to those who have made the difficult, disruptive decision to go into sanctuary and serves people applying for asylum, people recently released from ICE detention and trying to rebuild a life, and those at risk of deportation.

When people go into Sanctuary they need emotional, spiritual and material support. Shir Tikvah and allies are responding. We are specifically asking for donations of Cub gift cards that will be used to purchase food for immigrant families living in sanctuary.

Cash donations are also accepted.

Put your Cub gift cards or cash in a sealed envelope and label it clearly for Sanctuary. Leave it in the drop box in the Oneg Hall.
