

# SMALLER LAKE ACCOTINK

Preservation Feasibility Study

## Help Shape and Preserve Lake Accotink Together

**Join us to learn more about the Smaller Lake Accotink Preservation Feasibility Study.**

The County will provide information about ongoing efforts, and participants will have the opportunity to ask questions and share input.

This will be an open house setting with several tables (stations) around the venue. Attendees can visit each station to learn about different aspects of the Smaller Lake Accotink Preservation Study and speak directly with staff.

### Open house
