

## Article II info from the UUA

Article II of the UUA Bylaws is the Principles and Purposes. Our current Principles and Purposes were last revised in 1987. It is time for us to do a review and make changes so that we are living into the Unitarian Universalism of the future.

The UUA Board established the Article II Study Commission to consider possible amendments to the Principles & Purposes. The Article II Study Commission has been working through the feedback gathered from the General Assembly, through Zoom sessions, and with the assistance of the Outreach team. The feedback collected aided the Study Commission in crafting a [full draft of Article II \(PDF, 3 Pages\)](#).

In November there are eight more general feedback sessions on zoom and an [online Google form](#). Then there will be a proposal in early 2023 to send to the board. The proposal will be considered in mini-assemblies before the vote at General Assembly 2023.
