Conference

2ND ANNUAL

FAMILY ENGAGEMENT CONFERENCE

Evidence shows when families, communities and schools work together, students are more successful and the entire community benefits.

Key Note Speaker

Dr. Ronald Ferguson is an MIT-trained economist who has taught at Harvard University. He consults actively with school departments and agencies to raise achievement levels and close achievement gaps. He is the creator of the Tripod Project for School Improvement, including the widely used Tripod Student Survey Assessments.

Recommended Audience

Pre-school through high school educators, administrators, social workers, community providers and parents

November 29, 2018
8:30am - 3:00pm
