

President's Report Cont.

Our primary source of income for these programs is our Thrift Shop which provided over \$283,000 to fund our efforts. Coupled with the generous donations of our supporters and members, our Chapter was able to provide help to over 10,000 children and adults as we continue to strive to improve the lives of those in need residing in our local communities, which, by the way, covers an area of approximately 414 square miles.

I invite you to read our Annual Report highlights below. And if you are so inclined, you can also view the PowerPoint presentation to members at our May 2023 member meeting, [here](#).

With Gratitude,

Diana
