

Our Members Share What Makes Them Thankful!

"Family, good friends and good health. I am thankful that I am healthy enough to volunteer with this wonderful organization and fabulous people."

"Being a part of Assistance League and meeting so many lovely ladies."

"This wonderful organization and the friendships I have made as a member."

"Being a member of this organization and the wonderful women that I have met. Also thankful for my health, family and friends."

"My membership in Assistance League and the kindest people I know!"

"Being able to help others."

"Becoming a grandma this year. My grandson was born October 15. I'm also thrilled that I joined Assistance League this year so I can give back and make new friends."

"Becoming part of the Assistance League. I have met so many really nice women and look forward to learning more. I am also very grateful for my four grandkids."

"All those who's hearts and minds have stayed open and warm during these often angry and angst-fueled times."

"Organizations like this one that offers opportunities to help anyone who might need it."

"The women who give many hours every week to make Assistance League of Inland North County a very valuable asset to Escondido and the surrounding communities."

"My family, my friends, my faith (the Big Three!), my health. I am thankful for the beautiful sunsets, music, the babies in our lives. I am thankful for the freedoms in our country."

"My friends who are there when needed through good times and difficult times. Their caring and support is priceless."

"Being born in this country! We have the opportunity to have freedoms to have organizations like Assistance League to help others in need. I'm thankful for my amazing family and great friends."

"I am thankful for my wonderful family."

"Early retirement, good health and the opportunity to serve others!"

"The opportunity to serve our community, the life-long friendship's that have been made, good health and happiness that is shared."

"The opportunities I have been given all my life – to learn, to be active, to make friends, to serve, to learn about our eternal natures, to enjoy the beauty of the earth – in music as well as all the visual beauty."

"That I am able to serve the community through the Assistance League and the wonderful philanthropic and charitable programs they have. This is a great place to spend one's time."
