

SWG'S FALL FUNDRAISER

6pm - 8:30pm

OCTOBER 25

AT ST. PAULS UCC

SUMMARY:

The Sanctuary Working Group is a solidarity organization that supports and accompanies vulnerable migrants in their journey towards sustainable independence. We are a coalition of over 30 organizations, faith communities, and community groups who are all dedicated to immigrant advocacy and direct aid. We rely on donations and grants to maintain our organization's staff as well as our Emergency Fund for migrants.

FUNDRAISER GOALS:

Our primary goal for our Fall 2025 Fundraiser is to raise at least \$30,000 to replenish our Emergency Fund.

The SWG Emergency Fund is currently dangerously low due to the increase in demand for rent, food, and other basic necessities during these terrifying times for immigrants in our country.

We have already had to limit our rent support capacity, and we would hate to have to turn more people away when they need us the most. Your support today could be the difference between safety and uncertainty for those most at risk of being unjustly targeted. Please consider how you can contribute to this lifesaving work.

SPONSORSHIP PACKAGES:

Level 1 - Seed \$500

Your name will be included in our program for the evening as well as our slideshow that will play during the event.

Level 2 - Sprout \$1000

All of the Level 1 Perks, and you (or your business) will also be featured in our November newsletter.

Level 3 - Garden \$2500

All of the Level 2 Perks, and you will also be featured on our website in a "Special Thanks" section.

Level 4 - Harvest \$5000

All of the Level 3 Perks, and you will have the option to send your own email out to the SWG mailing list.
