

From Working Full Time To Living Full Time — Exploring What's Next

Leaving full time work can be breaking free to pursue that inner calling, that personal destination. It can be about re-inventing, re-claiming or finding new, more meaningful life's work.

When career is no longer the center of your life, join us and learn how to take your next steps.

- Transitions & Change—What Is Important Now?
Where do you begin?
- Identifying the personal motivators/values that give meaning to this time of your life.
- Reenergizing innate talents and skills that may have been buried or put aside for years.
- Setting Goals. Taking Action.

This workshop will be presented by:

LUANNE MULLIN, MA, Life Planning Counselor and President of Luanne Mullin Partnerships

EILEEN WILLIAMS, MA, Huffington Post Job Search Contributor and author of Land The Job You Love, 10 Surefire Strategies for Job Seekers Over 50.
