Become a BOLD BUDDY !

Are you seeking a unique volunteer opportunity where you can provide support to a person diagnosed with cancer, who is about to start his/her cancer journey?

Seeking men and women cancer survivors to serve as compassionate support & treatment coaches to newly diagnosed cancer patients and those undergoing treatment.

- **Share your experience, hope and compassion as someone who has been there and understands**
- **Develop skills as a *Treatment Coach* to help patients work with their health care team to have the best treatment experience possible**
- **Choose your level of involvement:**
 - Accompany *Montefiore/Einstein* patients to medical/treatment appointments
 - Provide supportive telephone calls to patients before and after medical appointments
 - Visit waiting area in *Montefiore/Einstein* clinics to speak with patients
