

Coming Fall 2017...
you've got "Options!"

help your child make the most
of the kindergarten experience

Introducing the Options Enrichment Program: *offered exclusively for children in half-day kindergarten at Sporting Hill Elementary School*

Who we are: *(besides the best kept secret in local preschools)*

- Keystone 4-STAR rated and NAEYC-accredited childcare and preschool

What the Options Enrichment Program offers:

- before and after-school care in a small class setting
- learning experiences that will complement your child's half-day kindergarten curriculum
- the convenience of full-day care when Sporting Hill is closed for holidays, in-service days, or inclement weather
- caring faculty who are credentialed in early childhood education

What your child *really* gets:

- the benefit of a consistent routine, both in schedule and learning
- familiar faces that make it easier to form and grow friendships
- research-based curriculum that will inspire and challenge your child... academically, emotionally, socially, and physically

DID YOU KNOW...

only 10% of early
childhood programs
meet the NAEYC
national standards of
practice excellence?
Shouldn't your child
be in the top 10%?

you're invited!

Take a tour and explore all that Options has to offer:

- Year-round care for infants, toddlers, and pre-schoolers from 6 weeks through 5 years--**openings now available**
- Exceptional team of Early Childhood teachers offering developmentally appropriate classroom experiences
- Small class size and a large outdoor play area
- Special discount for families with multi-child enrollment
- CCIS/Childcare Network subsidies accepted
- New this year... "Kindergarten Enrichment Program"*
