

Open Hearts Open Doors Open Minds

You're invited...

Pathways Open House

**Wednesday, November 16
3:30pm - 6:30pm**

123 Chambers Hill Drive
Suite 123, Chambersburg

*offering a revolutionary approach
to adult day programs for individuals
with IDD throughout Central PA*

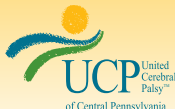

Pathways is more than a program... it's a philosophy

that says all people, regardless of their abilities, deserve the opportunity and the supports that will empower them to live the most independent, self-fulfilled life possible.

We all want the same basic things in life.

Some of us just take a different path to get there. Please join us on November 16 to learn if Pathways is the right path for you.
