

One of our Methodist traditions is to “pound” our outgoing pastor. Pounding is celebrating and giving the pastor a pound of flour, a pound of sugar, (disposable paper products in 2020) etc. to help as he moves to his new home. “Pounding” is an example of the graciousness and generosity we Methodists show to others.

On June 28, please join in celebrating Pastor Lee and his family. After serving us for 6 years, this is Pastor Lee’s last Sunday with us. As an update to the tradition, gift cards (e.g. Home Depot, Lowes, Target) would probably be more appreciated than actual pounds of this and that. The celebration, which will be outside, will begin shortly after the worship service. We’ll do a drive by in the north side parking lot (by the education building). Everyone can attend, even if not participating in the live worship service.
