

A Great Day in the Kingdom – 5/24/24

School is about to end for the Summer. Didn't we just put up the Christmas decorations? Time seems to move faster and faster. This is a great time for the Church to look and go out beyond its walls and be the Hands and Feet of Christ. Adults will be going to Conroe. Junior High is heading to Stephenville, while Sr. High is headed to Perryton, Texas.

We could focus on the heat this Summer. Why not focus on the opportunities God gives us in Ministry to God's world? Every Season God gives us a new opportunity to serve, love and live into the story of Jesus Christ. What a Blessing the Seasons can give to each of us! We are called to focus on the opportunities, which are unique to each time of year.

Ecclesiastes 3:1-2, There is a time for everything, and a season for every activity under the heavens: a time to be born and a time to die, a time to plant and a time to uproot.

Church, it is time to plant the Gospel of Jesus Christ, through VBS, Missions trips, serving as Greeter, Usher, Choir member!

Now is the time and the Season God created. Let's take advantage of the Seasons God provides.

Praise God!!!

Love You All!!!
