

A Great Day in the Kingdom – 11/8/24

Have you ever wondered why we as human beings stay on the inevitable search for both happiness and something that makes us anxious? Even when we're feeling like things are good, we worry about the next challenge. Finding the positive in everything is a good remedy for our dilemmas.

This week, I am asking you to speak one positive statement about your life. I am also asking you to commit to this practice, once every hour. At the end of the day, observe your outlook on life and your participation in it.

Philippians 4:4-7, Rejoice in the Lord always. I will say it again; Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

You are guarded by God! You are Loved! No one ever created became negative by being positive. God has You! You have God!

Have a Blessed Week!!!

Love to You All!!
