

A Great Day in the Kingdom – 8/9/24

Have you ever met someone you considered perfect? There are those people in our lives that we aspire to emulate, but they are not perfect. In fact, **Romans 3:23** says all fall short of God's glory. That means we all fall to the great equalizer of sin. There of course has been only one exception, that being our Savior Jesus Christ.

Ecclesiastes, before the arrival of Jesus, tells us there isn't a single perfect person who walks the face of God's Earth. With that being said, all of us are called to work diligently to avoid sin. We know that we are forgiven when we fail, and at the same time are still held accountable for our behavior.

In these days of politicians, entertainers and sports figures, it might serve us to remember that Jesus is our King, our citizenship is in Heaven the God of Abraham and Isaac reigns Supreme. Praise God!!!

Have a Blessed Week!

Love Y'all!!!

Pastor Joel

PRAYER: Heavenly Father, help me to strive for perfection. When I leave this life and am changed to perfection, I'll understand everything, know everything and fully obey and serve God for all eternity. Thank You for my Eternity with Christ, which will be my future story. I ask for strength in the meantime to do Your will. In the name of the Risen Christ Jesus, I Pray. AMEN
