

## **A Great Day in the Kingdom – 3/3/23**

Have you ever forgotten to be grateful? If you are a human being, other than Jesus Christ, you have. We live in a world that needs to give Almighty God more credit. We have been created specifically to be in relationship with God. He created us and desires for humanity to know and understand His Love.

The theologian Karl Barth believed that there was only one sin. Taking our lives as humans for granted, along with ignoring the possibility of how we can be a gift to others, in Barth's view constitutes the foundational sin that transcends all other sin. Although we may not all completely agree with Barth, he is correct Biblically with relation to the stewardship of life. All Life is sacred, as it comes from God.

### **Psalm 30:1a, I will exalt you, Lord**

We are created not only to serve Almighty God, but to praise His Holy Name. As we begin a new week in God's Kingdom. God is calling us to be good stewards of this gift we call Earthly Life, as it is fleeting, and one day we will see His face.

**PRAYER: Heavenly Father, one day I will see Your face. Until that day comes, may I be a good steward of this life you have given me. May I lead someone to Jesus Christ. Lead me into Your way and Your will. Thank You, Lord for this life on Earth and in Eternity, through Christ Jesus, I Pray! AMEN!!!**
