

## **A Great Day in the Kingdom – 12/1/23**

Are you a prepper? Just before the year 2000, the entire globe decided that chaos was coming. Their source of this information was largely the internet. As we all know, Abe Lincoln once said, "Don't believe everything you read on-line," but many did just that. Billions of dollars were spent on prepping.

Being prepared is not a bad, foolish or silly concept, as long as the narrative is realistic and adheres to good stewardship. How often did you hear someone say as Y2k approached, "We are prepping to feed the masses!" No. For the most part it was every person for themselves and their loved ones.

Today I am offering you the best prepping practice in the history of God's Creation. We are preparing for Advent and the Hanging of the Greens next Sunday. We are preparing our hearts to celebrate what has been prophesied for thousands of years, in the arrival of our Savior.

**Isaiah 7:14, Therefore the Lord Himself will give you a sign: The virgin will conceive and give birth to a son, and will call Him Immanuel.**

The Savior is coming soon. Let us prepare to make Him room.

I Pray for You to experience the anticipation of Jesus' arrival, as prophesied for so many years. God's promise will soon come to fruition!

Have a Blessed Advent Season!

Love and God Bless You All!
