

## **A Great Day in the Kingdom – January 28, 2022**

Have you noticed that we live in a time when every authority, every policy, every rule, every law, every guideline, it seems, someone wants to criticize? Most of us remember that going to school required long pants, no matter what. The temperature in Texas was not relevant. Fortunately, common sense eventually won the day. Glen Lake Church Camp even has a dress-code for swimsuit wear and language on T-shirts.

Yes, there are times when a guideline, policy, rule or law can be ridiculous. Yet, societies can easily go the other way. We have all heard phrases like, "There is more than one way to skin a cat." This is just a phrase. Your pastor is working on the cat thing. Examples of rules that are valid involve consideration for those around us.

Scripture tells us that none of us are beyond reproach.

**Proverbs 15:5, A fool rejects his father's discipline, but he who regards reprove is sensible.**

*PRAYER: Heavenly Father, help us to see that we need boundaries of every kind in this world. Help us to consider others, while we live our lives. May we serve as living examples of your Love. In the name of the Risen Christ Jesus, AMEN.*
