

A Great Day in the Kingdom – 4/11/25

Palm Sunday is now upon us. Didn't we just celebrate Christmas? The faster time goes for us, should be a reminder that this life is fleeting. We are bound in an Earthly body, but it is in no way our home. Home is a word that encompasses a sense of belonging and comfort. Your ultimate home is with God.

Knowing Whose we are and Who we are in this life entails a theological awareness. Why were we created? Remembering that we are here to serve Almighty God, by propagating the Gospel of Jesus Christ is paramount. We do this by thought, word and deed.

Matthew 21:5, Clearly illustrates how Jesus used a celebration of His arrival to promote Servanthood. He arrived on a colt. Yes, a King on a colt. The colt represented a humble Servant of God's people. Here, Christ exhibits the ultimate leader trait. He uses the opportunity to convert praise upon Him and alter it into a statement. True leaders never take credit for success. Natural leaders lift others up and distribute the credit to those with whom they have worked.

Jesus gave his life, yet assigned the Disciples to grow more Disciples. This Palm Sunday, I ask you to Pray about how you serve God, in thought, word and deed. The King has arrived! How may we honor Him?

Have a Blessed Week Church!!!

Love You All!!!
