

## **A Great Day in the Kingdom – 11/18/22**

This morning, as I was headed into work, I witnessed something amazing on FM1187. The vehicle just in front of me unintentionally cut off another motorist, in the left lane. It was clear that he had not seen the other vehicle approaching. Tires screeched, horns honked, and the light turned red. I was dreading the inevitable immediate confrontation, as the motorist who had just cut the vehicle off exited his car.

Suddenly, my dread turned to elation, as the driver was saying to the vehicle, "I am so sorry." I could see hand gestures, no, positive hand gestures. Both motorists laughed and smiled, as they drove away. Sometimes, in the unexpected moments we witness the Blessing of kindness. Human beings can be good or bad to one another. We have free will.

As I know there were other drivers watching this scenario, I cannot help to believe that they witnessed Jesus' intentional teaching. It may not have been articulated specifically, but nevertheless, it was seen.

People have short fuses these days. My belief is that they have forgotten or not been taught just how much God Loves them.

**John 6:47 Truly, truly I say to you, he who believes has eternal life.**

Those are the words of Jesus. How can you demonstrate this week, the actions of knowing God's ultimate Love and offering it to the those around you?

**PRAYER: Heavenly Father, help me to see the opportunities I have to be kind to others, in the face of possible conflict. Help me to Love as Jesus Loves. Help me to follow Your will. In the name of the Risen Christ Jesus I Pray! AMEN!!!**
