

A Great Day in the Kingdom – October 16, 2020

Psalm 118:6-7, “The Lord is my Helper, I will not be afraid. What will people do to me.” A couple of weeks ago my Wife was hospitalized for almost a week.

Everything happened so quickly, we did not have much time to think. In the midst of her malady, we experienced the Love of God in multiple venues.

Caregivers abound in this world and I am constantly astonished by the incredible people who serve without hesitation, especially during this pandemic. These people search for ways to comfort, console, help, support and Love. They heal the heart. They nourish the soul with hope and sincere service, for the benefit of others. We were honored and humbled, as they shared with us, the Love of God.

Who are these caregivers? They are the unsung heroes of society, who serve to comfort and heal those who are in need. Of course, the Nurses were incredible because they serve with all they have. They were truly caregivers, yet I am speaking not only of Nurses.

The Church of Jesus Christ, is full of You precious people who are caregivers, as well. A Caregiver helps heal the soul, just like those precious Nurses help to heal the body. We were flooded with offers from so many who became aware of our situation. From offering Prayer to Childcare and even Food and Lodging, you all were wonderful.

The Church of Jesus Christ is much like a hospital for the soul. No one gets through this life unscathed, but isn't our Lord God good to remind us, through His People that we are not alone? Psalm 118:7 says, “What will people do to me.” The word “People” could easily be substituted with, “Life.” What can Life do to us? Well, in the end, God is with us. He is with us, through the power of the Holy Spirit and His People.

Our Family is Blessed by you wonderful folks. Thank You, for all You do and all You are!
