

## **A Great Day in the Kingdom – 3/7/25**

As of Ash Wednesday, which was this past Wednesday, we should be adding something to honor God, giving something up to honor God, or both. This period lasts until Easter, forty days from Wednesday. Please be fair and set realistic goals for yourself. If you miss the Ash Wednesday Service of Lent, please know there is not a limit to your participation.

We are reminded during this time of year the extravagant sacrifice God has made for us in sending our Savior, Jesus Christ, for the atonement of our sin. Please read **Romans 12:1-2.**

Separate yourself from one worldly pleasure. Your Season of Lent will be meaningful.

Have a Blessed Lenten Season!!!

Love to You All!!!

Pastor Joel
