

A Great Day in the Kingdom – 7/12/24

What time is it? This question is asked quite often when we are not carrying phones, or even watches. We function, set deadlines, tie memories and events, and even manage our lives with time. It is time to go to school. It is time for graduation. It is time to go to work. It is time to retire. It is time to go to sleep. It is time to get up. There is even a time for “time off.”

Some folks don't have enough time, while others have too much time on their hands. Either way, Time is a gift from the Lord. We can spend it wisely, take it for granted or waste it. Free will gives us the choice. No, I am not going to quote Ecclesiastes, as Trudy would start singing The Byrds.

Psalm 90:12, Teach us to number our days and recognize how few they are; help us to spend them as we should.

By the way, what ever happened to Times New Roman? That was a great font. Are you spending God's time wisely? It is His time we've been given. Time is a Blessing! I will never forget this Blessed time of serving as your pastor. This time is a Blessing to me! I Pray Time Blesses You this week! Time to sign off!

Have a Blessed Week!

Love to You All and God Bless!
