

A Great Day in the Kingdom – 12/6/24

At this moment I am riding, typing and pondering the concept time that God gives to each one of us. Trudy is driving us to Harris Hospital to visit with a member of our Church family. Because Trudy has been generous with her time, I can make use of my time in writing this article.

During these Holy Days, we have a choice to focus on time before our Earthly departure or eternal life, in the Savior we are prepared to celebrate. How are you spending your time, during these Holy Days? Are you using your time wisely?

Psalm 31:15 My times are in Your Hands...

All of us should evaluate the time God gives us. It is His to give and ours to honor. How are you honoring God's gift of time?

Love to You All!!!

God Bless!!!

Pastor Joel

PRAYER: Heavenly Father, help me to honor you with the time You have given me on this Earth You have created. May I serve You with my actions, throughout my time, because it should be returned to You. I Pray all of these things in the name of the Risen Christ Jesus!!! AMEN!!!
