

A Great Day in the Kingdom – 2/3/23

This week I am writing about an exciting opportunity for all of us! Because of the hard work of Shannon and Hunter in our Youth Jr. and Sr. High departments, we need two more volunteers for Wednesday evenings. They would be happy to create a roster, but you might find yourself volunteering more than once. Watching these young people grow socially, spiritually and theologically can be addictive!

If your kiddo has not yet given our Youth Program a try, I strongly urge them to do so. We have a great thing going! Jr. and Sr. High Mission trips are also coming soon. Those finishing 5th grade are welcome to attend the Jr. High trip. Parents are urged to attend those trips, as well.

Psalm 119- How can a young person keep their way pure? By guarding it according to Your Word.

Let's partner with Shannon and Hunter to help our youth guard their way. They are worth an extravagant investment! For those of you that cannot leave your home, your prayers are just as valuable as the physical service. Please, pray about this.

PRAYER: Heavenly Father, I ask that You help me to serve where I am needed and give what I can, in service to You. Help me to be a Kingdom Builder. In the name of the Risen Christ Jesus, I Pray! AMEN!!!
